Tenpin Bowling

Dear LAGC Member's;

The act of trying to knock over a series of pins by rolling a round object towards them may not be new, but this great activity is as challenging and engaging today as it was in the past. Archaeologists have found evidence of bowling-type games from as long as five thousand years ago. This makes bowling one of the oldest sports on record, dating all the way back to the civilization of the ancient Egyptians. Every time you pull on your bowling shoes and head for your favorite lane to try and hit a few strikes, you are participating in a ritual that has amused and challenged humans since the year 3200 BC.

Our Bowling program is being held on March 23, Sunday 10am -2pm Sharp.
