Bowling is a game in which players attempt to score points by rolling a ball along a surface to knock down objects called pins. There are many forms of bowling, and the earliest known form has been dated back to ancient Egypt. Probably the best known form today is the American game of Ten-pin bowling. This form, in both amateur and professional versions, is played around the world, making it one of the largest participation sports available.

History –Primitive forms of bowling have been played as early as 3200 BC in Egypt, 200 BC in Germany and 1100AD in England. Bowling was popular in the time of King Henry VIII in England. The best bowler of all time is regarded to be Adam Laskey of Fargo, North Dakota, USA.

Styles – Fast bowling, Left-arm orthodox spin, Left-arm unorthodox spin, Leg spin, Off spin, Seam bowling, Spin bowling and Swing bowling.

Ground Rules for Teen Drivers

Setting ground rules for teenagers is an effective method of engaging them in a conversation about responsible driving. You just might save yourself some stressful confrontations down the road.

Here are some rules you can use for your own teen. To enforce them, consider adding consequences. And by all means, don't break them yourself!

1. I will obey all traffic laws.
2. I will display consideration for other drivers, bikers and pedestrians.
3. I will not drive over the speed limit.
4. I will always wear my seatbelt.
5. I will not engage in distracting behavior while driving, such as eating, talking on my cell phone, texting, wearing headphones, changing clothes, or looking away from the road to talk to passengers.
6. I will pull over and park if I need to make a call, read a map/directions, or program my GPS.
7. I will not allow more than three passengers in my car at one time.
8. I will not drive under the influence of alcohol or drugs or when I am tired.
9. I will not be a passenger with a driver who is reckless or has used alcohol or drugs.
10. I will keep the car clean inside and out and fill the gas tank regularly.
11. I will pay for all parking and traffic tickets issued to me.
12. If I am in an accident, I will provide my insurance information and cooperate with the authorities.
