Chicago IL 60659**

It's time to change your clocks!

Daylight Saving Time begins at 2 a.m. Sunday, March 11th.

Please remember to "Spring Forward" one hour! Did you know that with the change to Daylight Saving Time, it's a good time to change the batteries in your smoke detector(s) and carbon monoxide alarms? Changing the batteries twice a year will make sure that they will be working in case there is a fire or a CO leak. At Liberty Mutual, we want you to know that your family's personal safety is very important to us. The NFPA (National Fire Protection Agency) states, "A working smoke alarm dramatically increases a person's chance of surviving a fire." So be sure to change those batteries! For over 90 years, Liberty Mutual has been dedicated to helping people live safer, more secure lives. Come see why over 90% of our policyholders renew their automobile and homeowner's coverage with us each year.

Members of the Lohana Association of Greater Chicago receive discounts on their insurance with Group Savings Plus.®

Call Tushar Vyas today to find out just how much you can save!
